# Partner With Parkinson's

## Friends of Parkinson's

2400 North Tenaya Way  
Las Vegas, Nevada 89128

**[friendsofparkinsons.org](http://friendsofparkinsons.org)**

**Dear Community Partner,**

**Friends of Parkinson's** is reaching out to enlist your company's support in helping those affected by this devastating disease. Becoming a Sponsor is a powerful way to make a difference to those with Parkinson's and the people around them.

The **Friends of Parkinson's Mission** is to *improve the quality of life of those affected by Parkinson's disease through services, education, and advocacy*. Our **Purpose** is to provide support and resources for those suffering from or affected by Parkinson's and related neurological side effects. We also strive to educate the public on the symptoms, causes, and markers of the disease to promote earlier recognition and understanding.

Parkinson's disease is part of a group of chronic, progressive neurological disorders, including Dystonia, Ataxia, Huntington's, and Essential Tremor. While there is currently no cure, nearly 2 million Americans are living with Parkinson's, with 90,000 new diagnoses each year—many in their 30s and 40s. Environmental factors are being researched for their potential link to the disease.

A diagnosis of Parkinson's can be devastating for the patient and their family. There are so many questions—and the most common one is: "What's next?"

Your donation or partnership will help fund vital programs and services, including:

- **Regular support groups and therapeutic activities**, such as our Art Therapy Program, which helps patients and families learn how to Live Well with Parkinson's.
- **Access to the latest medical research, treatment, and technology**—we stay informed and share critical updates with our community.
- **Ongoing advocacy and guidance** for patients, families, and healthcare professionals navigating this complex disease.

As a participating partner, you'll have the opportunity to make a real difference in the lives of those we serve—while also increasing your company's visibility and presence within the Southern Nevada community. Your involvement will be appreciated not only by the public, but also by your employees.

**Join us in supporting our 2026 calendar of events:**

- *Medical Symposium* – Interdisciplinary insights on Parkinson's disease and brain health
- *Wellness Symposium* – Tools for living well with chronic illness
- *Funny Bunny Race, Walk & Run* – A family-friendly fundraiser and awareness event
- *Quarterly Lunch & Learns*

Your business will have the opportunity to connect directly with an engaged audience seeking trusted resources. Your support may also qualify as a charitable contribution for tax purposes.

Thank you for helping us provide hope, education, and care to the Parkinson's community.

**With gratitude,**  
Debbie Close  
Director of Business Development
